

2020 Quilt Show Guidelines

This year there will be no size restriction, or requirements. Enter as many quilts as you like. Rank your quilts of importance to you. There will be a space provided next to the name of the quilt for the number. number one being your masterpiece. In doing this, please be advised in some cases, not all of your quilts will be used. Challenge, mystery and classes from the last two years are separate and do not count towards your total entries. Every effort will be made in order to get a variety of quilts from each member in the show. We hope everyone enters at least one quilt. We want all skill levels of quilters, and we want to see as many different styles of quilts as possible represented. Get to stitching!
